DRAFT SALE OF

MODERN TYPE, HIGH QUALITY, PRODUCTIVE

Polled Shorthorns

8 Bulls

33 Females

Thursday, October 16, '47

Denver, Indiana

We welcome all lovers of good cattle to our second draft sale of high quality, modern type, productive Polled Shorthorns. The offering consists of 8 excellent bulls including our present herd sire, Browndale Beau x by Browndale Flash x and out of Lynnwood Daybreak B x by Lynnwood Spotlight x. His first calves are now arriving, some of which will be in this sale, and they are the deep bodied, thick kind that will improve any herd. Our female offering is made up of open and bred heifers and cows with calves at foot and rebred. All are of exceptional quality and the cows have been top producers for us. All of the bred females will carry the service of the great young herd bull, Browndale Beau x, and the majority of the calves that will sell with their dams were sired by him. Many of the females are granddaughters of the great International grand champion bull, Lee Dale Collynie x. Here buyers will have the opportunity to reap the benefits of years of constructive breeding. We will consider it an honor to have you present at the sale and we feel confident that you will like the offering.

THOS. E. BOSWELL & SONS

General Information

TIME—Thursday, October 16, 1947, at 1:00 P. M., at the farm. Lunch will be served prior to the sale.

LOCATION—The sale will be held at our farm on State Road No. 16 about 14 miles N. E. of Peru; 13 miles N. W. of Wabash; ten miles west of Road 13, or 7 miles west of State Road No. 15 and ten miles east of Road No. 31; hard surface roads any direction.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's Disease and Tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and, if after a test in the seller's herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders.

Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

TERMS—The terms of the sale are cash unless other arrangements are made with the seller before the sale commences and the sale manager is notified of the arrangements. Buyers who are not known to the sale manager will bring bank reference. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

The above guarantee and terms shall constitute a contract between seller and buyer of each lot. Neither the Sale Manager, nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf at foot and for each unborn calf sold in dam.

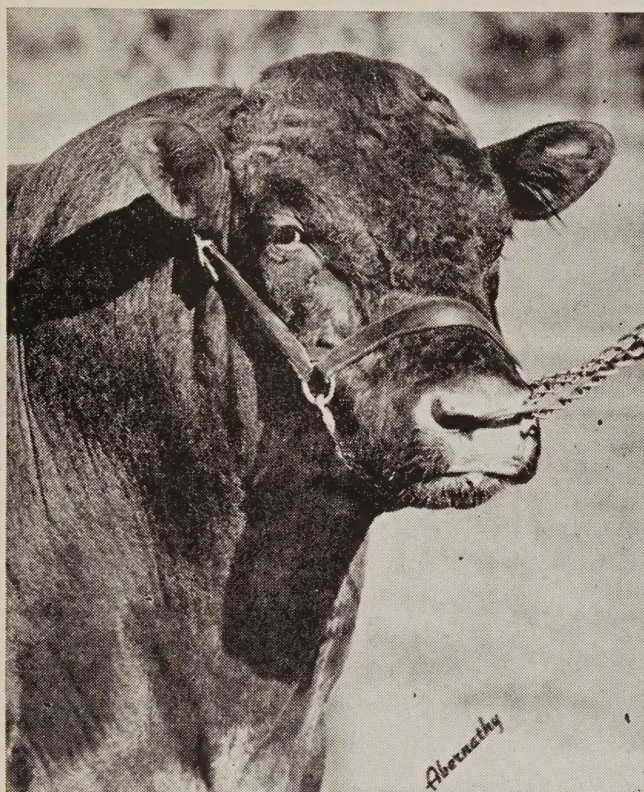

Where footnotes appear in this catalog, they were furnished by the owner or written from information supplied by the owner.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

MAIL BIDS—Those wishing to buy at this sale who cannot be present may send their bids to the Sales Manager, Ed Huff, of the Shorthorn World, Clinton K. Tomson of the American Shorthorn Breeders' Ass'n., or to owner or the auctioneers.

AUCTIONEER—Hamilton James and H. W. Walker

SALE MANAGER—Ed Huff, 16 So. Locust Street, Aurora, Ill.

COLLYNIE CLIPPER X2166264

This great breeding bull sired many outstanding Polled Shorthorns for us. Notice the number of times his name appears in the pedigreees in this catalog. He was sired by the International grand champion bull, Lee Dale Collynie x. Build your herd with this breed improving blood on October 16.

Here is a typy, good dark colored daughter of Rosewood Baron x. She is safely settled to the service of Browndale Beau x.

There is a permanent demand that will insure a ready market for all the naturally hornless Shorthorns you can produce. Remember, —the Farmer, the Rancher, the Shipper and the Killer all PREFER cattle without horns, and remember further, — the American Polled Shorthorn Society, 7 Dexter Park Ave., Chicago, Ill., is ready to deliver helpful service to ALL who are interested in breeding cattle of this popular type.

Here is a group of Crescent Farms females that are included in the sale offering. They are bred to Browndale Beau x or have calves at side by him.

Records in the American Polled Shorthorn Society office show that Polled Shorthorns are rapidly increasing in numbers and quality. To continue toward the top goal, it is necessary for breeders to build their herds to meet the present demands for type, rugged cattle that will attain weight for age early. True success in breeding cattle can be reached through years of constructive mating and planning. Take advantage of our experience and place in your herd bloodlines that will make your herd stronger.

Crescent Emma 6th x is the dam of two excellent quality heifers in this sale and has a red bull calf at foot by Collynie Clipper x.

BEVERLY BYRT, granddaughter of Thomas E. Boswell. She represents the third generation that has a true love for quality Polled Shorthorns.

Polled Shorthorns are definitely on the march. No breed can boast greater advancement in the production of the kind of cattle that meet every demand for the farm. In addition to the extra weight for age characteristic which is so well known for Polled Shorthorns, there are many advantages in favor of a hornless animal. More cattle can be fed at the same feed bunk the carcass is more valuable when the animal is sold for slaughter, and less danger from horn injuries among individuals in the breeding herd are just a few of the many advantages.

Included in this offering are the first two sons of the herd bull, Browndale Beau x. They are just youngsters but they have the type, bone and character to make top breeding bulls. If you need a herd bull, don't overlook these grand prospects. After a complete study of this catalogue plan to attend the sale and study each individual animal. As has been stated in this catalog all of the cows have been consistent producers and are now in their prime of production. Here buyers are not taking any risk because they can see the offspring and the popular families that have made money at Crescent farms. The most noted bloodlines are represented and the uniformity throughout the entire herd is outstanding.
